So, Kôji...
Let it flow for as long as you feel like

No, really
This time I thought he was going to dissolve the band (seriously)
Me too
ん……

Impossible
...
Because...of that accident?
.....

"I [evil] pulled you [angel] down, for the sake of my own desire"
"The one who broke your [dream wings] stole your [hopes legs]"
"Towards heaven"

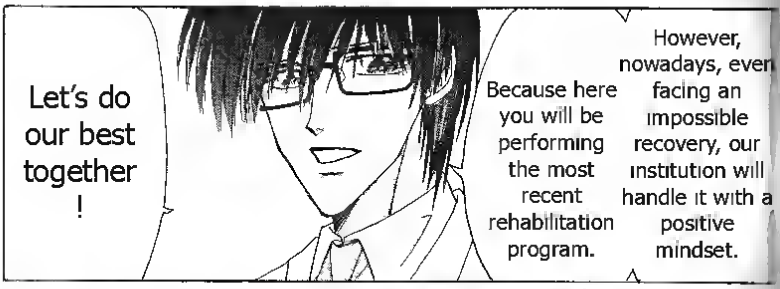
.....
Don't say that in front of Kôji please, Kyô-san
.....
Common sense would say that it's impossible
Izumi came to America...
I hope he'll heal
..Gunji ?
.....!
I'm just saying the truth
You shoul dn't !!
Why are you being so cruuuee el Kyô-san !!
.....
This melody is...
Nanjô -san's
Voice is...

Crying...
Izumi

Nice to meet you!
Hello
Welcome to this institution, Mister Takuto Izumi
All of the staff will do their utmost to help you
Thank you

.....
We had many successful results
Recently we have been studying the results of new medicines uses
Outstanding researches and staff are always taking on new challenges
Ah, here is our Japanese staff member, Hina !!
Sorry for being late!
I am Hina Tooru, at your service.
Nice to meet you

I am in charge of you Izumi-kun, you can ask me whatever you want to know.
Yes, thank you !
Dr. [illegible]
Here are a few things you should know.
You are a pro soccer player, aren't you? Soccer requires very precise legs movements.
Izumi Takuto
For your injury, with this level of damage, a complete recover will be extremely difficult.
Many signals coming from the upper part cannot reach the bottom of your body, so you can't move and it will be very hard.

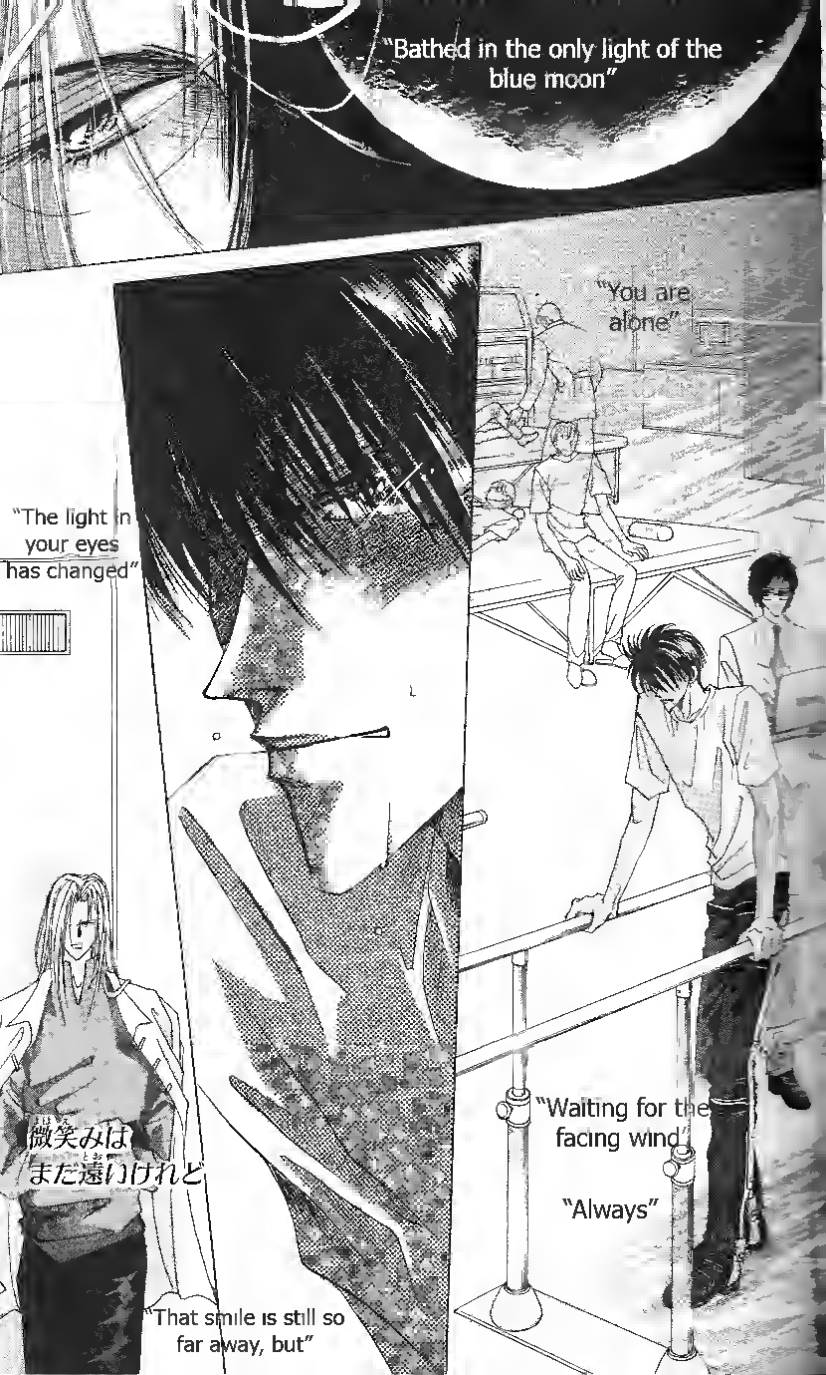


However, nowadays, even facing an impossible recovery, our institution will handle it with a positive mindset.
Because here you will be performing the most recent rehabilitation program.
Let's do our best together !

Yes !!
Hina-sensei I will
Be a pro soccer player again !!

For sure !!

'the melody is crying' ...?
Katsu mi
Gunji, do you also feel music in your heart ?
Izumi
"A rising cliff"
You're really Takafu mi's kid
He's good, isn't he? Kôji
Katsu mi



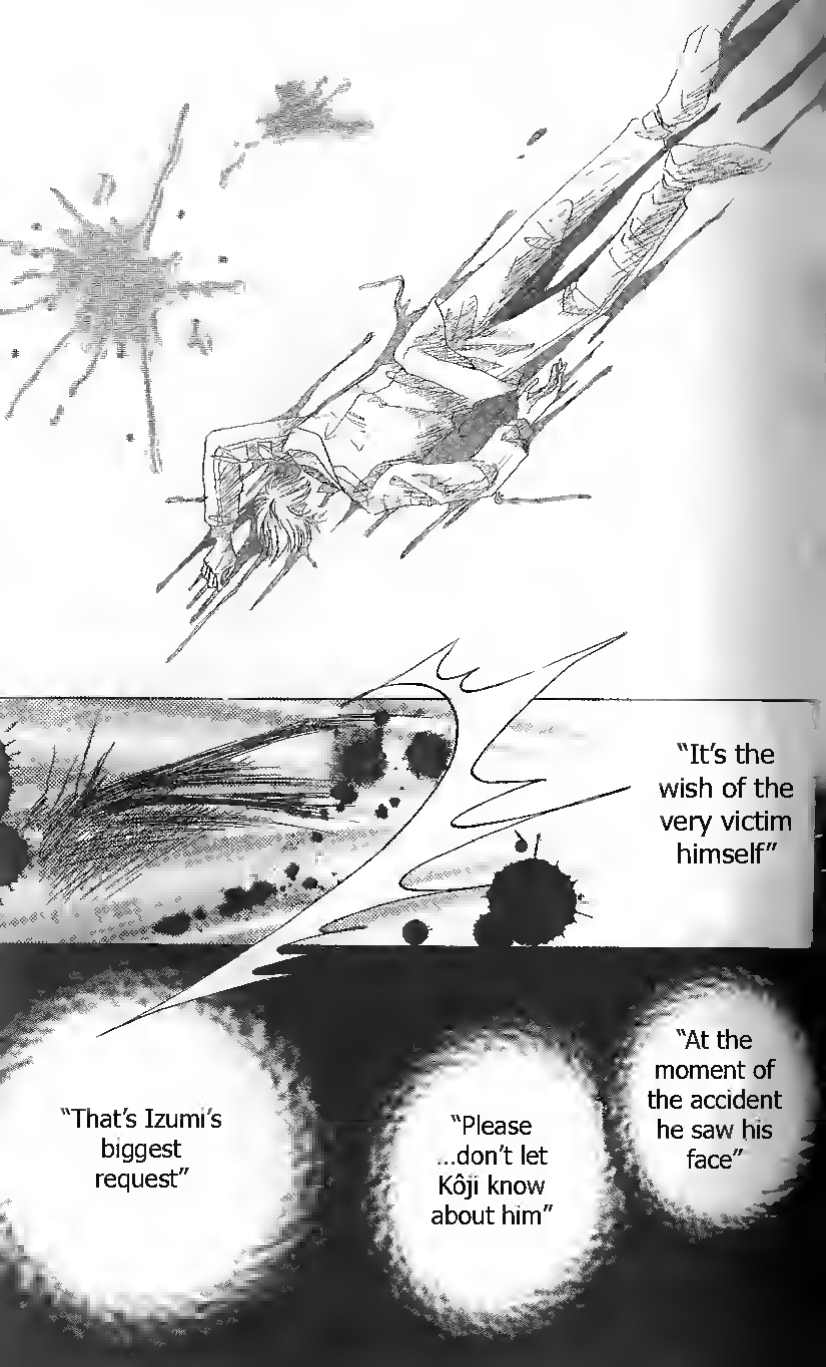
"Bathed in the only light of the blue moon"
"You are alone"
"The light in your eyes has changed"
微笑みは
まだ遠いけれど
"That smile is still so far away, but"
"Waiting for the facing wind"
"Always"

"I believe"

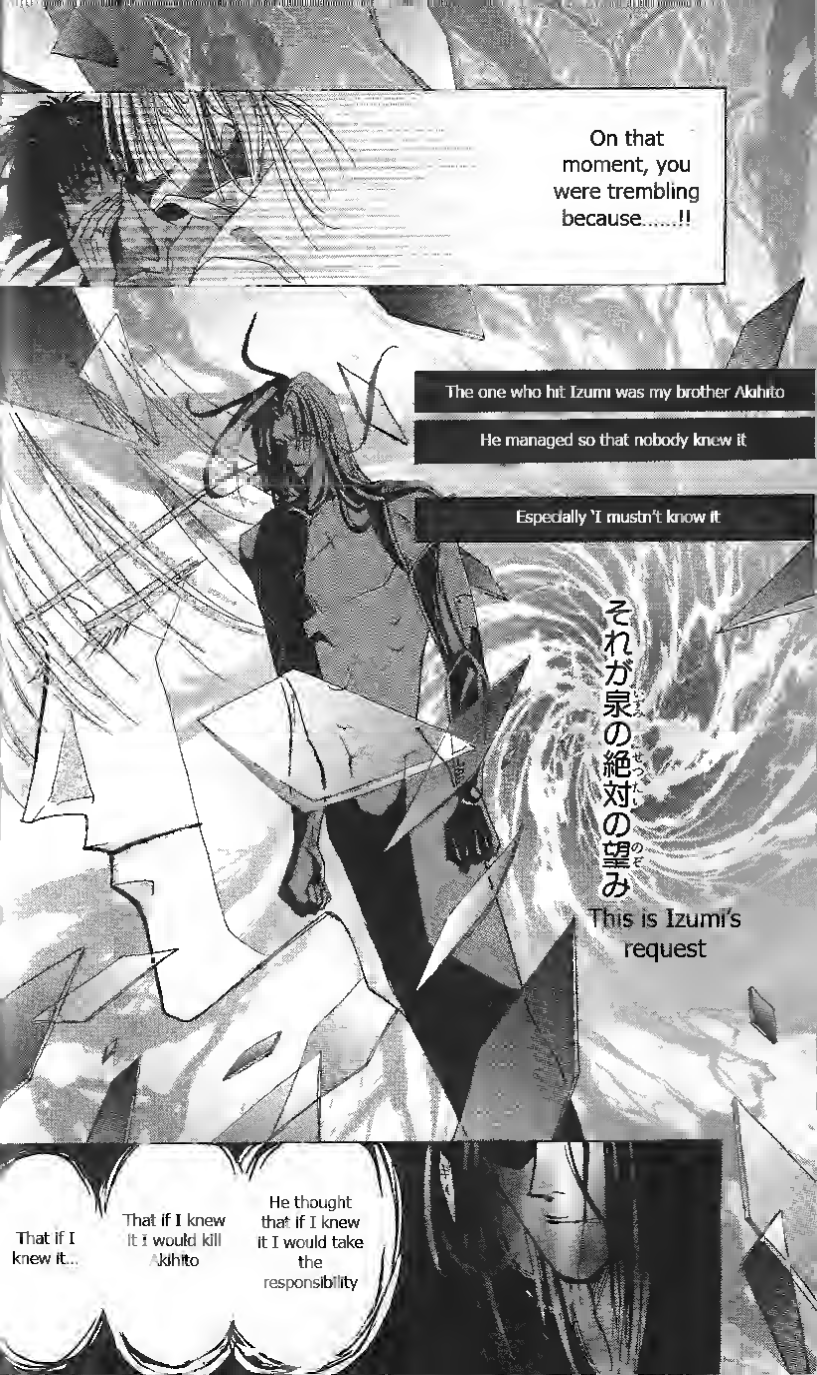
Your hurt wings"
"Unfolded in the nightly sky"
"What are you waiting for?"
"That love that is following"
"Has no place to return to"
"In times of freezing cold"
You've recorded it since the beginning?!
Yes !
What ? When did
...Don't cry kid

Kôji...
What ?
You were grasping it all the time
What is this crucifix ?

...This brand... must have been expensive
For me ?
Wasn't it ?
Ah...It was your birthday
.....
I thought...
It would suit you
It was when he went getting this
Thank you
that Izumi
That's the most expensive present I've bought since I was born!!
Don't loose it!!



"It's the wish of the very victim himself"
"That's Izumi's biggest request"
"Please ...don't let Kôji know about him"
"At the moment of the accident he saw his face"



On that moment, you were trembling because.....!!
The one who hit Izumi was my brother Akihito
He managed so that nobody knew it
Especially 'I mustn't know it
それが泉の絶対の望み
This is Izumi's request
That if I knew it...
That if I knew it I would kill Akihito
He thought that if I knew it I would take the responsibility

What did you do
What did you do
I would suffer !!
What did you do !!
BASTARD !!
That's wrong
It was me

If only I didn't exist
If only you had never met me
Nothing would have happened to you !!

If I
didn't
exist

Da ...
Mn ...
!
Are you alright ? Don't break the pace please
Izumi-kun !

If you do too much at a stretch it won't have any effect, don't get impatient.
...This is not like soccer training
I know !!
.....
Would you try basket ball?
...Izumi-kun
!
It's much more fun than pulling on a machine
The change would make you feel better and training the upper part of your body would have a good effect.

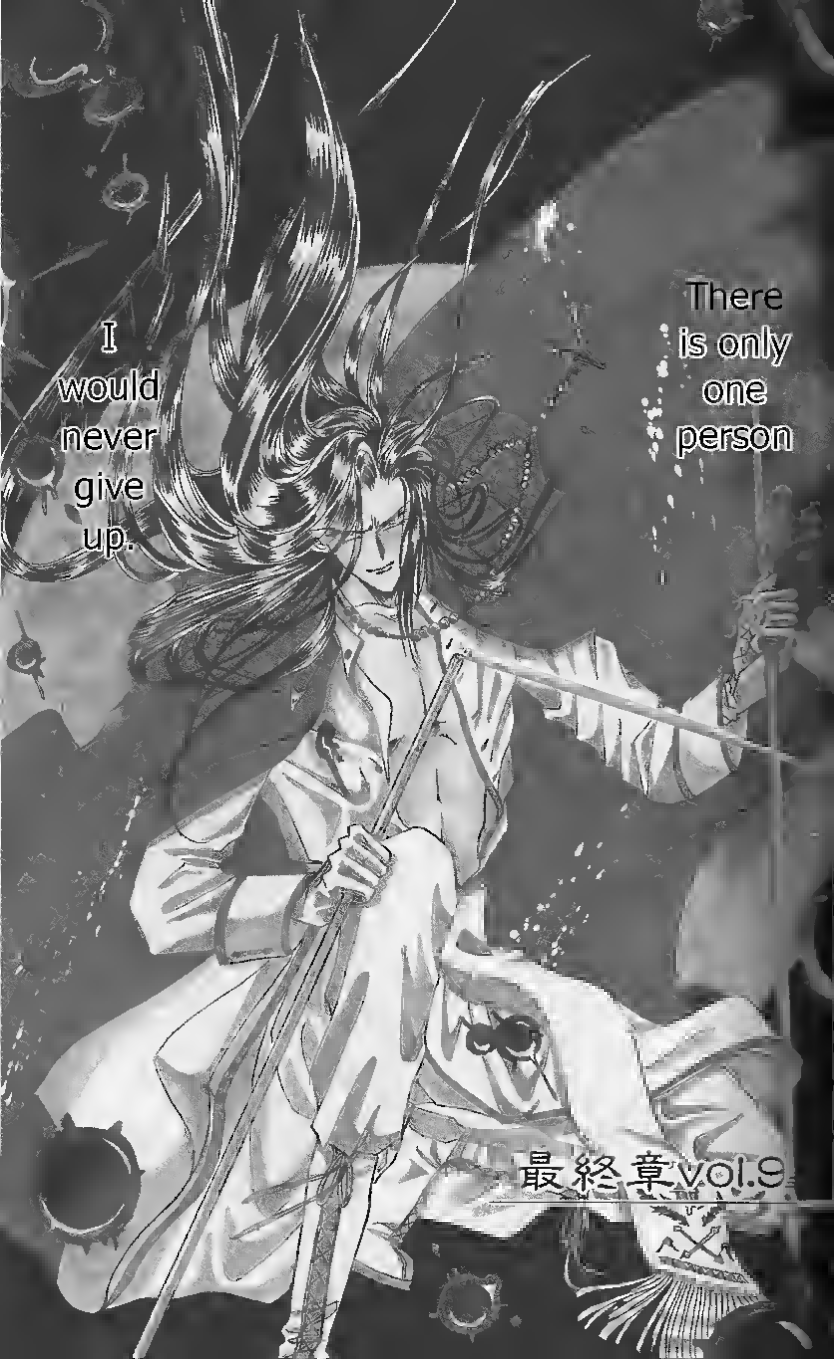
...It doesn't mean...that you quit soccer, does it?
It's just another aspect of your rehabilitation.
...Yes

I can get in or off the car by myself
But I can't take the wheel-ch air from the car trunk
Welcome
I can cross trivial steps by the strength of my arms
I can't climb even 2 stairs
But

Crawling on my hands and knees
Inside our room I can move freely
Izumi, what about diner?
I'll take a bath first
...Shall I help you?
How many times do I have to say that I can do it alone!!
Stupid
I'm so stupid to take it out on Kôji

It's already been one month since I came here
No. It's been one more month
Would you try basket ball?
I want to go back
I will go back

We will go back
To those moments



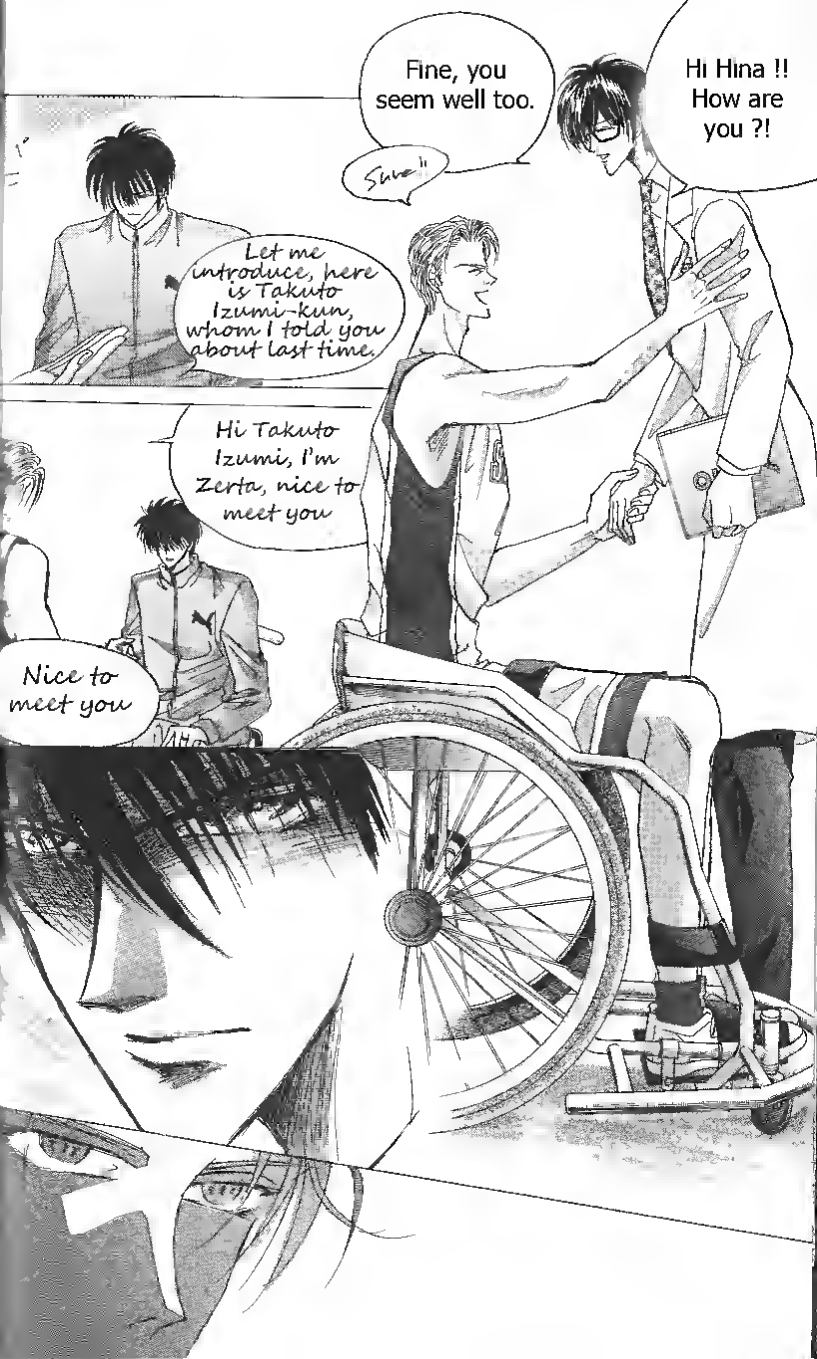
I would never give up.
There is only one person
最終章vol.9

There is only one thing
I would never give up.

SERAPH

This is Zerta Kils
He was a famous player in his national team.
Zerta Kils
Yes
I know him... He was a great sportsman
But after his accident he was badly injured and came here.

He was the ace of his country team
He comes occasionally to have a training match with the institution people.
After that he stays with them to give some basket advices.
He earned his fame with his magnificent ball control and powerful kicks
He even won international competitions
heard about his accident, but to meet him in this place...
Zerta !!
In this place



Hi Hina !! How are you ?!
Fine, you seem well too.
Sure !!
Let me introduce, here is Takuto Izumi-kun, whom I told you about last time.
Hi Takuto Izumi, I'm Zerta, nice to meet you
Nice to meet you

Are these the "samurai" eyes ?
Indeed..
SERAF
4
I never fought with a Japanese sportsman but
Takuto Izumi !!

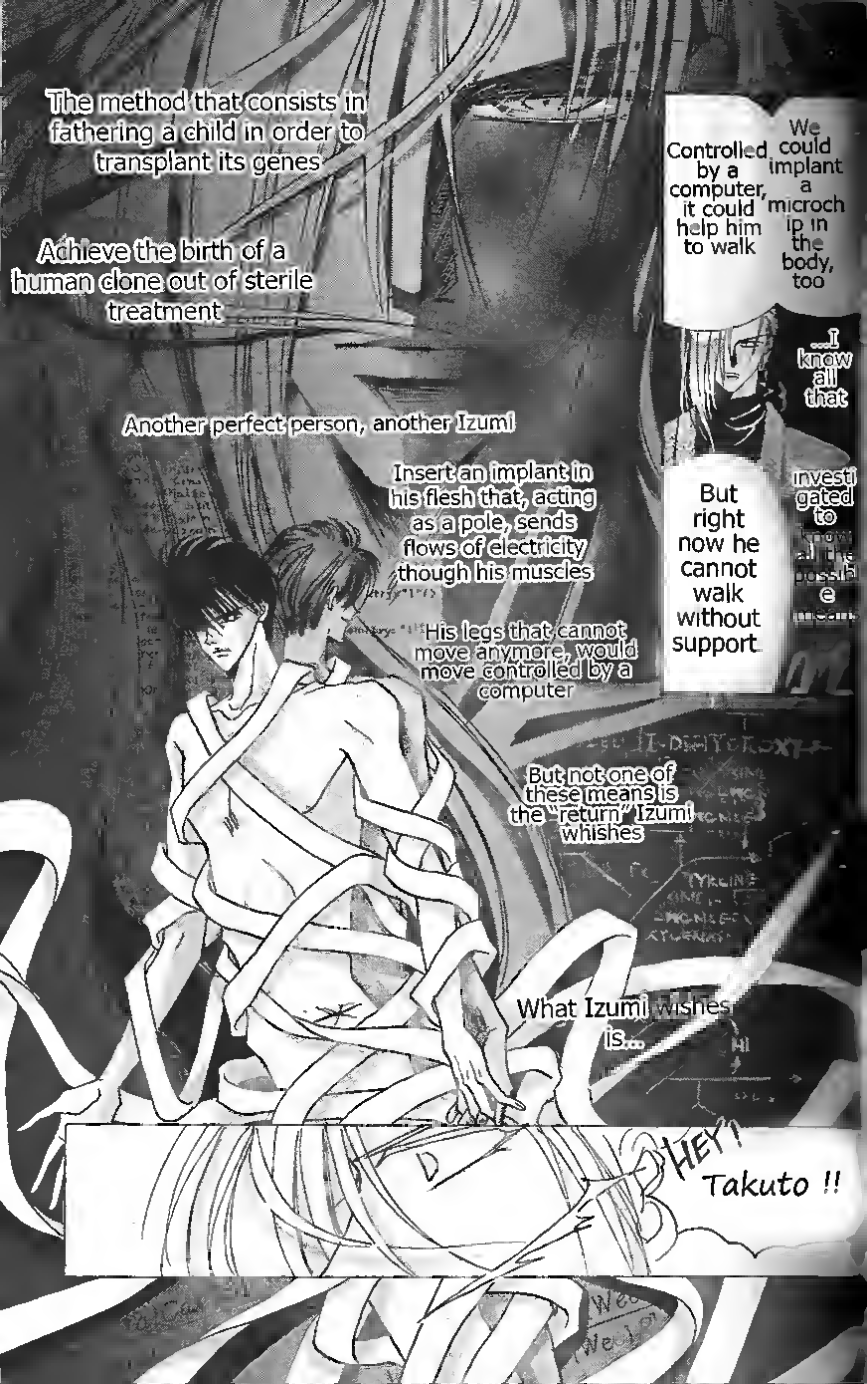
It's been a long time since I have been looked at with this kind of killing eyes
It's chilling
SERAPH
4
It seems you're about to say "so, let's have a game"
But before that you want to tell me something
Go on
I'm ready to hear anything
Izumi
Hina, be our interpreter
...Yes

To play soccer again ?
Don't you want...
Whether I want it or not
I'll never play anymore
I will, definitely
I'll play again
But from the beginning, we can't be accepted
Even when, day after day, you keep fighting against the despair...
I used to think that too, at the beginning. Anyone would think that. Even when, day after day, you realize that it's impossible.
We don't have the wings to reach those heights anymore

...
But as long as I'm alive the chances are not zero
And if they're not zero I'll fight...!!
I...
Would have made a child, abort it...
And done a cell transplant if it could have brought me back onto the field.....!!
I'll definitely play soccer again !!
You're still young, and I heard you were expected to become a great sportsman.
So it will take time and it won't be easy but you'll surely succeed.
However, sportsmen are people who always break down when they reach their limits
4
There will be a time when you have to retire
And to you it will come sooner than to other people, with no doubt.

If I could create my clone and exchange the injured part of my body with him, just to be able to return to it before
I'd have already done it !!
.....
.....
!!
ク ス

But I've said too much in front of Hina !!
Geez... you're impossible
Is that entirely ...
Takuto ! Be careful
This doctor may have a baby face but he's scary !
still, his nickname is Dr Baby
Hina-sensei ...
True ?
Zerta !!
So, let's start training !
training training
The same for human cloning, it's still in question at the present time.
In theory, a transplant of a fetus' nerve cells could be possible, but there is an ethic problem.



The method that consists in fathering a child in order to transplant its genes
Achieve the birth of a human clone out of sterile treatment
Another perfect person, another Izumi
Insert an implant in his flesh that, acting as a pole, sends flows of electricity though his muscles
His legs that cannot move anymore, would move controlled by a computer
But not one of these means is the "return" Izumi whishes
What Izumi wishes is...
Controlled by a computer, it could help him to walk
We could implant a microchip in the body, too
...I know all that
But right now he cannot walk without support
investigated to
HEY! Takuto !!

Nice pass, Takuto Izumi
I'd like to fight you on the ground.
I want to fight you too
Because I won't resign myself.
"Standing on the field"

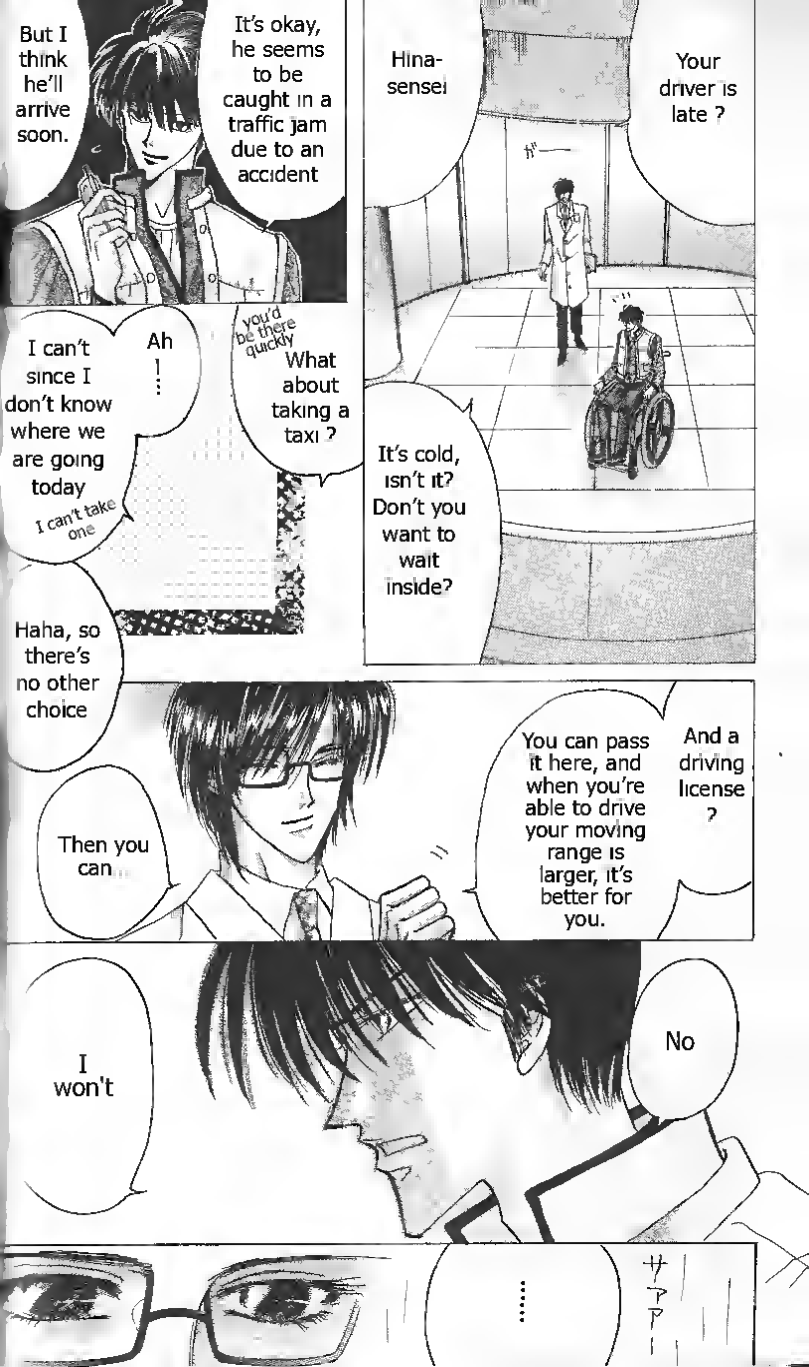
In these days he thought "I don't want to live if I can't play soccer", he repeatedly tried to commit suicide and entreated people around him to kill him
Zerta was...
.....
At the peak of his happiness after winning the World Cup, when he had his accident.
He spent his days in agony.
The girl he was engaged to, left him because he became too violent.
He was the son of a single parent, who died then.
It made him turn mad.
The power of his will, symbolized by his thought "I want to follow and reach those infinite heights"...
The only thing that helped him drawing himself up was

He said that he wanted to see one more time the "God" he met
when he won the World Cup
Izumi ...
.. Nanjô-kun, it will soon be time
Yeah

Takafumi, get a bit closer
yes
And Kimie, lower down on your left
He always seems absent-minded, thinking of something else !
It's ok, it's ok!
Is it alright ?
What a face he's puffing ! Isn't he asleep ?
...His eyes are not focused, are they, Marie-san
There are casual moments where the waves of his feelings show up as expressions of his face
...
If you're able to apprehend that moment
...
But it's better this way

You can catch "Koji's feelings" that no one has ever seen until now
……

ガ
ス
サアア…



But I think he'll arrive soon.
It's okay, he seems to be caught in a traffic jam due to an accident
Hina-sensei
Your driver is late ?
Ah !...
I can't since I don't know where we are going today
I can't take one
you'd be there quickly
What about taking a taxi ?
It's cold, isn't it? Don't you want to wait inside?
Haha, so there's no other choice
Then you can...
You can pass it here, and when you're able to drive your moving range is larger, it's better for you.
And a driving license ?
I won't
No
.....
サアー

That man, Nanjô-kun
He's handsome, and quite surprisingly so
He is a famous musician in Japan
And his mother is a celebrated internation al model
Of course ! As I thought
How old is he ?
Same as me, 19
What !! 19 ? He looks so adult
His face, and he's so tall
He's way too big
A little, yes
How old are you, Hina-sensei ?
I'm 47
Heee ...
47...
People always say that.
WHAT ?
Young ?
He seems to take great care of you
He's a good friend, isn't he
...Yes...

Izumi !!
Sorry I'm late !!
Kôji ?!
This car ?! You bought it ?! You chose it ?!
What ? I bought it but .? I got used to the driving system here, and the limousine's too showy so ...
What's happeni ng? What is this car ?
Eh... what ? is it weird ?
It's WEIRD
t's absolutel y not your type of cars, that wagon !!
I never saw something like that !!
uh.....

The space to get in and out of the car is large
This way I can take the wheel chair myself
Usually, Kôji wouldn't even look at this kind of convenient car...
Ah... by the way Izumi...
Our house's remodeling construction is finished at last
It's very close, so you won't have to go back to that hotel anymore.
Your baggages have already been moved
...A white, fabricated house
"you won't have to go back"...
He noticed that I hated that ?
Look, it's here.
Kôji...

A gentle slope at the entrance
Lavatory and bath designed for a wheel chair
Large halls allowing me to turn around my wheel chair
A low kitchen
Without any barriers...
Hm ?
an obstacle ?
Am I...
Ah... no, nothing
This is from the team
This is your mail
.....

Kôji
?
What ?
解雇通知
NOTIFICATION OF DISMISSAL
Dismiss...?!
I'd like to see a soccer match
What ... soccer ...?!
So suddenly...!!
Yeah
Anywhere is okay, a pro team if it's possible
Can you get tickets ?
.....
I'll do it

Uwaa ah
It's great.
even the military is here
Ah, it's bur ning burning!
The echo from the ground makes all the stadium...
It shakes !

I'd rather the soccer had never existed in this world
What are you doing here...?
Ah, I knew it was you ! Long time no see !!
eh...
Taku ?!
Izumi Takuto !!
It means
You retired ?! It can't be...
Repor ter ?
This is my first work as a reporter
Mass media ?
The former captain of a soccer team
Who is it ?
But... !!
That's not the mater, I reached the age limit
my old body was aching
What do you mean "sort of", you were still a great player weren't you ?!
Sort of
haha
That's what I started to think
There are more and more good young players, and I wasn't chosen to be in the national team
I can't remain the number one forever
.....
You can't retire like that...
The body becomes the first priority
The number 1 "Iron" Defender...?!

But that was because I love soccer
That love can't be helped, I can't live without soccer, I want to make even more people love soccer too
As a result of that, I wanted to go on living with soccer, even if not as a player, for the rest of my life
But it doesn't mean I can't be good at anything except "that" soccer
hahaha
...
Taku
Why...
But...
Why can't I...
See you
Accept that

I
can't

Haaaa, the dynamism is so different when you're watching it for real
Isn't it, Katsumi-ku
.....!!

but
surely,
I
feel
'I am

最終章vol.

'Look only at me, think only about me'
'Not soccer ....!!'

Stand up
Come on
Koji

.....
... There is a noise
What noise
Is it ?

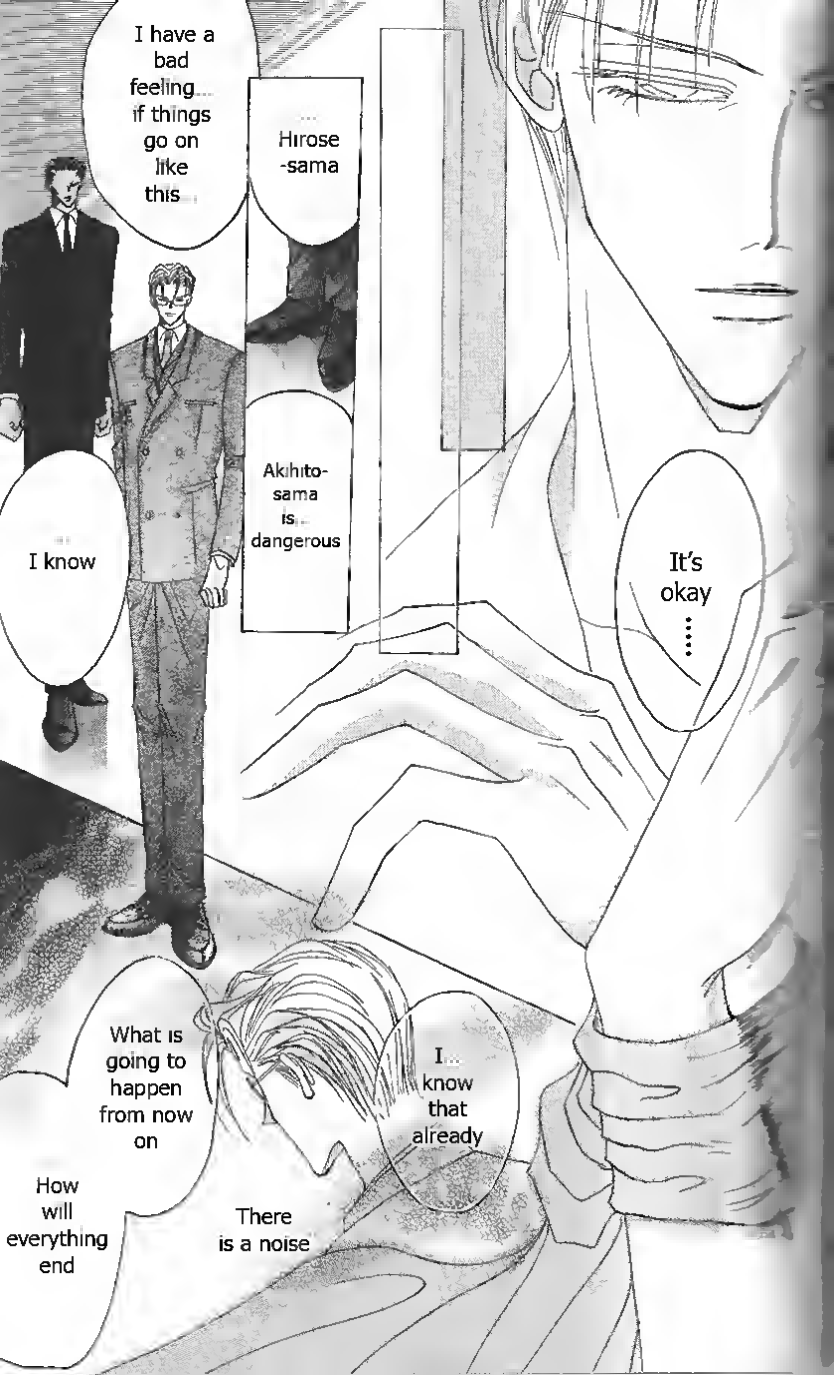
... Hirose-sama

What do you want in Hirose's bedroom that late?
Akihito -sama ... ?
What is it ?
.....
Hirose -sama ?!

What the ...
Wha ...
Hey !!
Don't come in!
Kura ...
I can't obey that!! Sorry !!
hn ...
Kurauchi .....
Hirose-sama !! What were you ...

I tied him
So that he wouldn't go anywhere while I am asleep
So that he won't leave me for even a little while
I'll keep him tied up until he dies
What are these foolish ....
... It's okay
It's okay
Kurauchi



I have a bad feeling... if things go on like this
Hirose -sama
Akihito-sama is dangerous
I know
It's okay
What is going to happen from now on
How will everything end
There is a noise
I... know that already

That's why
Something slowly falling to pieces
A soundless noise
It's okay ...
Like saltpeter turning into ash.....
this is
the sound of the devastation of everything.....

The flowing sound of a slow
But certain
Breakdown

カチャ!
Because I'm not doing so much sport either ..
Hm
The quantity of your meals is decreasing isn't it ?
... You're not hungry ?
But when you finish this one, before you go to sleep you always drink stronger liquors !
I can't drink water while eating
This is just wine
W What about you, are you not drinking too much, this is the second bottle !!
.....

Me, who cannot sleep without drugs
You, who cannot sleep without a big amount of alcohol
...You won't know even if you become an alcoholic
But... You won't sleep at all if you don't drink
I know it
I'm drinking more since I stopped smoking
Before sleeping you keep drinking
This atmosphere is always so tense

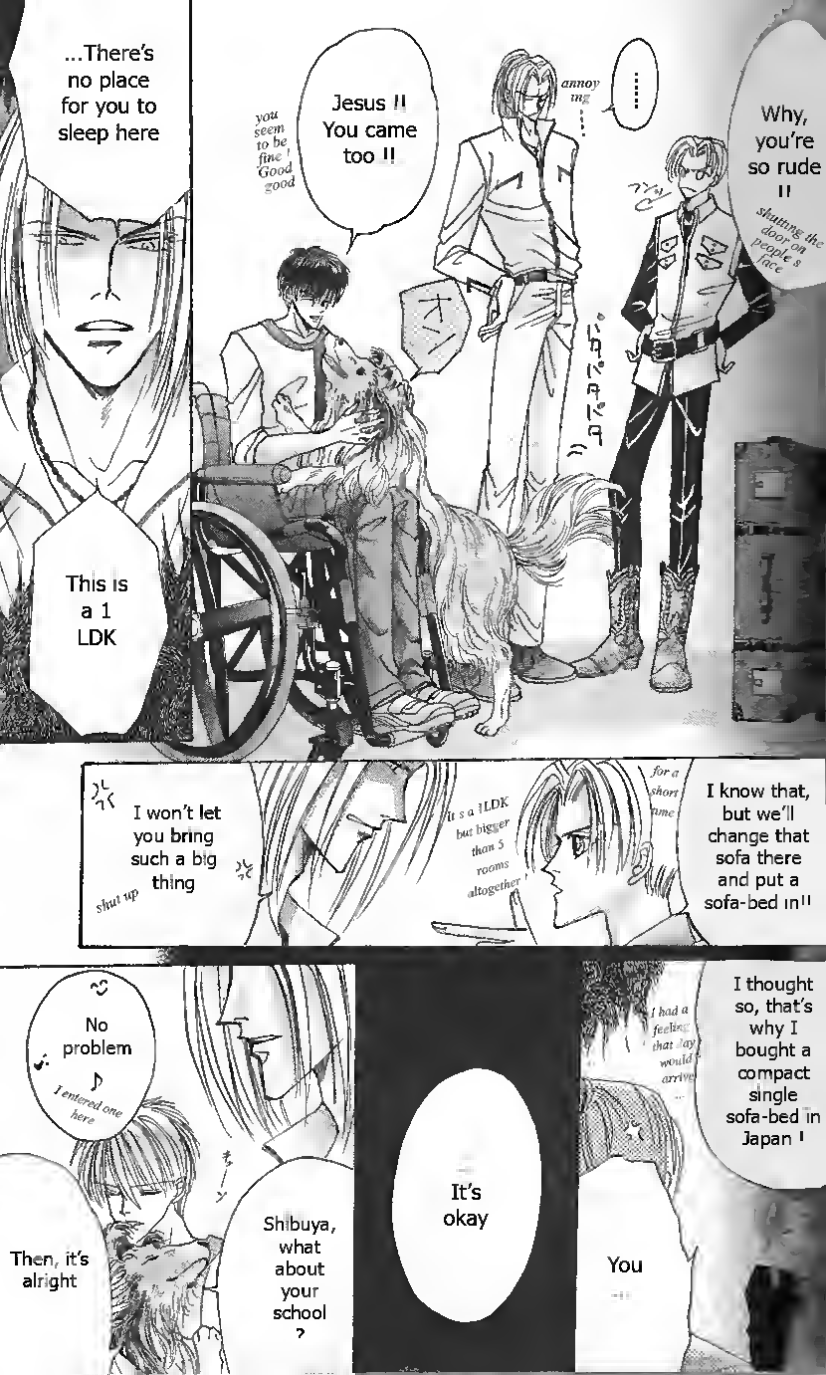
Can you let me hear the finished ones ?
Hm... There are still 2 songs to do
... Is your work progress ing?
Our conver sations are less and less freque nt
Kôji's song texts are dedicated to me
... What ?
Yes ... but
I know this too, is hardly progressing
What are you saying After all this time...
I feel ... Kind of anxious
Just a subtle distance

"... Steps following"
"Between panting breathes
I loose sight of you"
" What I found that day was"
" An anxious scar in the darkness"
" The dizziness"
"Will make me forget even my heart beatings"
.....
"Some day ."
"I love
You"

"While you are asleep"
"Nobody will know"
"That you are drowning in the sea"
"Transparent light"
"Flowing tears"
"Are calling that wind"
"Your hurt wings
Unfolded in the nightly sky
What are you waiting for?"
"That love that is following"
"Has no place to return to"
"In times of freezing cold....."

Over ...?
Am I...
... Kôji
Are we...
Kôji ......

Hau doyu douuu!?
Guu mooooo niiiinn
good morning^_^
?
He brought suitcases
and the dog too
W...What ? Shibuya ? Let him in
.....
What ?
dog ?
Whaaaat !! Why do you shut the door !!



...There's no place for you to sleep here
This is a 1 LDK
you seem to be fine! Good good
Jesus !! You came too !!
annoying
.....
Why, you're so rude !!
slapping the door on people's face
I won't let you bring such a big thing
shut up
It's a 1LDK but bigger than 5 rooms altogether !
for a short time
I know that, but we'll change that sofa there and put a sofa-bed in!!
No problem
I entered one here
Then, it's alright
Shibuya, what about your school ?
It's okay
I had a feeling that day would arrive
You
I thought so, that's why I bought a compact single sofa-bed in Japan !

They are both"
.....
If you say so, Izumi
You're suffering to live with me Izumi
If Shibuya's here, it will be funnier
You must be suffering to live with me, aren't you...? Kôji
suffering

Are your texts progressing ?
We'll have to stop the recording after all
You always stay here, watching
.....
Singing isn't
Do you think you're any support to Izumi right now ?
.....

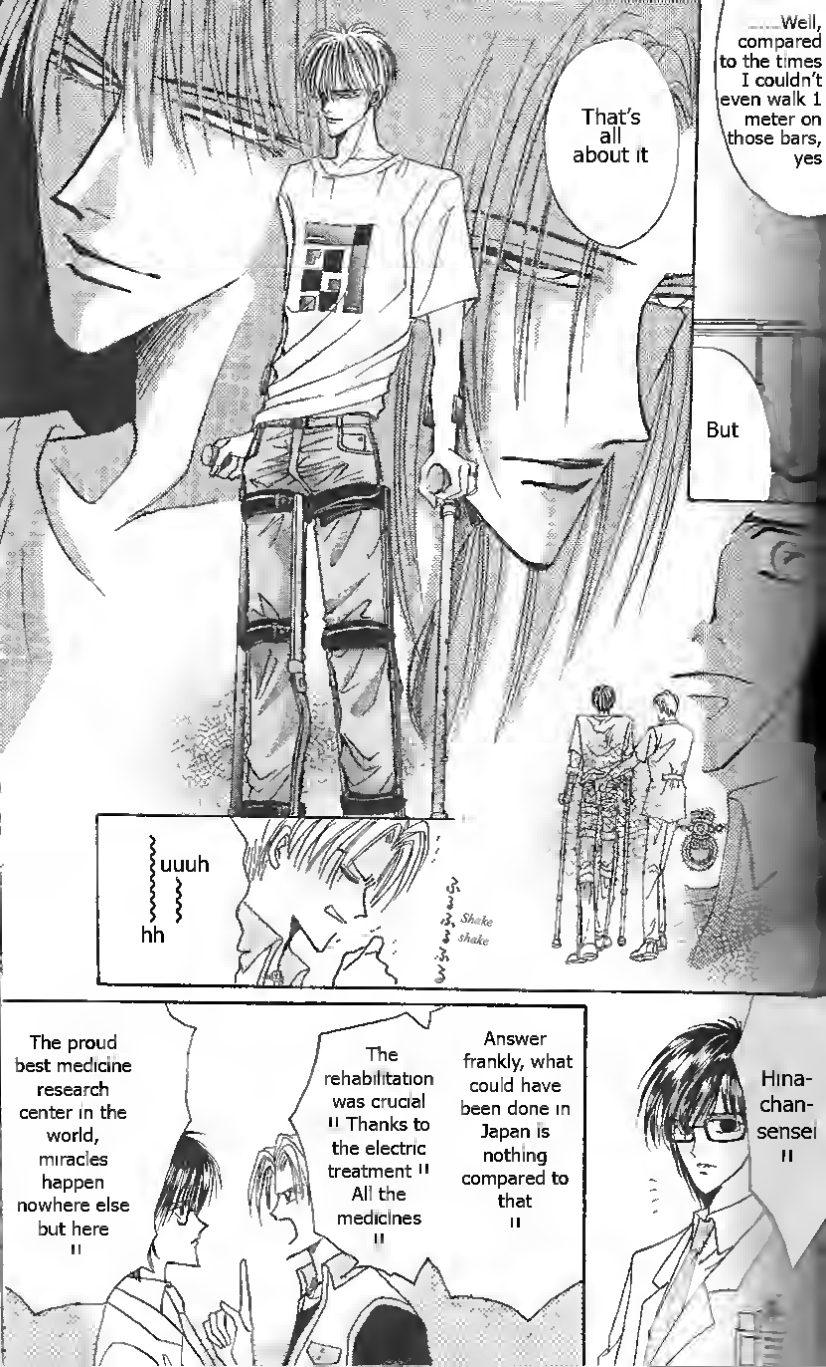
I believe in what he believes in
Support ?
haha
Love him and protect him with all my strength, pray, wish
A moral support? Is it really enough ?
What IS it in fact ?
Truth is all I can do is watch, a finger in the mouth* ?
Then you can do nothing else
If you're not able to "live only for that"
Me, the origin of all this misfortune?
*Japn : Yubi o kuwaete ru To look on him and do nothing just like that?

"I need both soccer and you !!"
"You have to be by my side, watching me"
At the end, you were the one
But ...
To fulfill her "wish"
I don't know if I was any "support" to her
However ...
You said that but
...I couldn't do anything too
It's true
When Madoka was dying, I could only watch.. a finger in the mouth

And she said
"thank you"
Before she died
Izumi's "wish" is playing soccer again
How could I fulfill it ?
What do I have to do to fulfill it?

'I'll always protect you'
'I want to be the shoulder you can sleep on quietly, the person that always shows you a smile'
'I'll be a strong man'
'I'll be a strong man for sure, some day'
'To make you happy'
Fuh
You are in Izumi's "wish" too
Don't forget it
You swore you'd "make him happy" didn't you ?

The one who brought to Izumi the worst misfortune, isn't it me ?
'I will make you happy' ?
'I love you' ?
Eh
What !! Taku-chan, you can already walk ?!
Hm... Yeah
That's great !
Just a little, with the equipment and walking sticks



.....Well, compared to the times I couldn't even walk 1 meter on those bars, yes
But
That's all about it
uuuh
hh
Shake shake
Hina-chan-sensei !!
Answer frankly, what could have been done in Japan is nothing compared to that !!
The rehabilitation was crucial !! Thanks to the electric treatment !! All the medicines !!
The proud best medicine research center in the world, miracles happen nowhere else but here !!

We're not giving up, that is all we can do
We are trying our latest medical treatments
Even now, medicine is progressing
I can't bear it !!
Hina-chan is cute but all the doctors are the same !!
Aah the doctors !!
Aah !! It was obvious that the third guy I am, would get so irritated !
Izumi himself is ... And Kôji trying to protect him, is ...

Not to mention that if Kôji knew
about "that"
If he knew
